

Appendix A - Foundation for Resilient Societies Testimony on GMD Protection Standards

Drawn from: <https://www.resilientsocieties.org/>

Foundation for Resilient Societies Testimony before FERC:

- [Geomagnetic Disturbance Technical Conference for Docket RM15-11-000; March 1, 2016](#)

FERC Docket RM15-11 on NERC Reliability Standard TPL-007-001, which sets a standard for Geomagnetic Disturbance (GMD) protection in high-voltage transformers:

- [Request for Rehearing of FERC Order 830, Reliability Standard for Geomagnetic Disturbance Events, Oct 24, 2017](#)
- [Resilient Societies Supplemental Comments on Cost Recovery for Geomagnetic Disturbance Mitigation; Mar 15, 2016](#)
- [Resilient Societies Testimony at March 1, 2016 FERC Geomagnetic Disturbance Technical Conference; Feb 23, 2016](#)
- [Resilient Societies Comments to FERC on Los Alamos National Laboratory Report on NERC Standard TPL-007-1; Oct 22, 2015](#)
- [Resilient Societies Petition to FERC on Los Alamos National Laboratory Report on NERC Standard TPL-007-1; Sep 29, 2015](#)
- [Resilient Societies Petition to FERC on Inadequacy of Quality Control and Non-Use of Scientific Method; Sep 10, 2015](#)
- [Resilient Societies Comments on FERC Notice of Proposed Rulemaking on NERC Standard TPL-007-1; Aug 10, 2015](#)

FERC Docket RM14-1-000 for Notice of Proposed Rulemaking on Geomagnetic Disturbance Operating Procedures:

- [Resilient Societies Supplemental Information on Geomagnetically Induced Current \(GIC\) Monitors; August 18, 2014](#)
- [Resilient Societies Request for rehearing and remand on FERC's final decision; June 21, 2014](#)
- [Resilient Societies Comments on RM14-1; March 24, 2014](#)

FERC Docket AD12-13-000 on setting a standard for Geomagnetic Disturbance protection:

- [AD12-13-000 Resilient Societies Commonsense appeal to the FERC Commissioners for action on a regulatory standard for Solar Storm Protection; May 21, 2012](#)
- [AD12-13-000 Resilient Societies Research paper on GMD-induced damage at Seabrook Nuclear Power Station; Apr 25, 2012](#)

FERC Docket RM12-22-000 for Notice of Proposed Rulemaking on Geomagnetic Disturbance:

- [Resilient Societies Supplemental Comments on RM12-22 regarding inadequate standard-setting procedure; May 14, 2013](#)
- [Resilient Societies Supplemental Comments on RM-12-22 regarding GMD-induced damaged to Central Maine Power; May 1, 2013](#)
- [Resilient Societies Supplemental Comments on Docket RM-12-22 regarding GMD Operating Procedures; Apr 1, 2013](#)
- [Resilient Societies Reply to NERC Comments on RM-12-22; Jan 11, 2013](#)
- [Resilient Societies Comments on FERC Docket RM12-22; Dec 24, 2012](#)
